

## Westphal Earns First Pole for PR1 Motorsports

Fontana, Calif. (March 9, 2008) – Jeff Westphal in his TNT Demolition/Cacci Construction Van Diemen endured windy conditions to take the pole for Round 2 of the Pacific F2000 series to be run later today with a time of 1:41.044. “Conditions were difficult today and it was important to have someone to draft with as there was a headwind down the straight.” That drafting partner turned out to be new PR1 Motorsport teammate Shaun Modisette in his Carson Trailer’s Van Diemen who will also join on the front row with Jeff when the green flag waves at 2:15 local time. Shaun lapped at 1:41.848 and said “After I got into a rhythm the wind did not bother me much and I would just drive around it using the pedals.”

On the second row will be Peter Hansel in his Comar Performance Inc., GS610 Maximum Performance Brake Fluid Van Diemen at 1:42.007 and Robert Podlesni driving a Dave Freitas Racing, Terminal Velocity/Alpinestars Van Diemen who could do no better than 1:42.118.

Fifth and sixth will be yesterday’s third place finisher Scott Rarick in his Piper/Fast ward/Red Line Oil Piper DF5 with Nick Freytag in his PR1 Motorsports, G Factory/Sodi Kart Van Diemen. Freytag lost several laps during the session with a spin at turn 12 and managed his time on his final lap.

Rounding out the top ten will be Chuck Hulse in his Silicon Salvage Van Diemen, James Hakewill in his Van Diemen, Max Hyatt PR1 Motorsports, Performance Drink Van Diemen and Peter Hastrup, Dave Freitas Racing, Western Building Materials Van Diemen.

Round Two is set to take the green flag today at 2:15 pm local time.
